

# Deputy Emergency Program Coordinator - Denny Island

## Notice Date

August 3, 2023

## DEPUTY EMERGENCY PROGRAM COORDINATOR

## DENNY ISLAND

A volunteer appointment is available for Deputy Emergency Program Coordinator on Denny Island. This position comes with ongoing support from the regional district, occasional training opportunities, and an honorary monthly stipend of \$100 for your dedication and commitment.

Applicants must be interested in emergency preparedness and be willing and available to be contacted by phone and/or email at any hour. Dedication of time depends on the number of emergencies and otherwise requires a minimal commitment.

The Deputy Emergency Program Coordinator will act as a community liaison and supports the implementation of the Denny Island Emergency Plan under the direction of the Emergency Program Coordinator. Familiarization with the program, community plan and operations in an emergency or disaster will be fostered to address the main hazards and threats. Potential events could include wildfire, earthquake and tsunami, flooding, storm, and power outages.

The community emergency plan aims to identify hazards and threats, establish general emergency response procedures, and provide specific plans for hazard threats anticipated in the region. Prevention, preparedness, response, recovery and developing disaster-resilient communities are key areas for familiarization.

**Join us in making a difference in the safety and well-being of Denny Island!**

Written expressions of interest will be received until Wednesday, September 6, 2023, via email to [info@ccrd.ca](mailto:info@ccrd.ca), via fax at 250 799-5750, or the regional district office, 626 Cliff Street, Bella Coola. Please describe your interest in the position and include any pertinent background information and contact details.
